

The image shows a mobile application interface for user registration. The screen has a light gray background. At the top, there is a status bar with the time 2:39 and various icons. Below the status bar, the title "Registration" is centered in a bold, black font. There are five input fields, each with a light gray border and rounded corners, stacked vertically. The labels "First Name", "Last Name", "Phone", "Address", and "Email" are placed inside the first four fields. At the bottom of the form is a large, black button with the word "Register" in white, bold text. A small red ribbon graphic with the word "Sale" is located in the top right corner of the app screen.
